

1st Sharm El-Sheikh Rendezvous

Mr. Jack Jenner **CEO Middle East and North Africa at Allianz** **Global Corporate & Specialty (AGCS) United** **Arab Emirates.**

Allianz

Jack is the Chief Executive Officer of Allianz Global Corporate & Specialty's (AGCS) operations in Middle East, Turkey and Pakistan based in Dubai. In his current role, Jack is responsible for driving AGCS market strategy to identify and maximize local market opportunities, develop & manage sales pipeline, build and manage long-term relationships with key clients and distribution channels.

Prior to his relocation to Dubai, Jack was based in Hong Kong where he was a member of the regional AGCS executive management team in Asia, responsible for the regional coordination of Corporate & Specialty business with our Global Broking partners, collaborating closely with Broker Relationship Managers and regional Chief Broking Officers to deliver growth. In addition, Jack was also responsible for developing & implementing local market management strategy in line with AGCS' growth initiatives and developing relationships with key clients and brokers in Hong Kong, Greater China & Taiwan.

Prior to his relocation to Hong Kong, Jack worked for 12 Years in the London Insurance Market in various roles starting in Liability Underwriting to finally Global Account management responsible for coordinating overall service and relationships to specific FTSE 100 customers. Having worked in 3 International Insurance centres, Jack has in depth knowledge of the workings and solutions available in the Global insurance market.
